

Commcare Pharmacy named an Inc. 500 Company

FORT LAUDERDALE, FL, August 12th - - Commcare Pharmacy (NS3 Health, LLC), a regional Specialty Pharmacy provider, announced today that it has been listed on the 2009 Inc. 500, Inc.'s annual ranking of the fastest-growing private companies in America. Commcare Pharmacies ranked #374 on the prestigious list which has included companies such as GoDaddy, Jamba Juice, Microsoft, Oracle, and Under Armour in the past.

Commcare Pharmacy CEO, Nicholas Saraniti, stated that "It's truly an honor to have our achievements recognized by other entrepreneurs. Commcare continues to evolve and adapt its practices in order to provide our clients best in class Specialty Pharmacy services in a very competitive channel. We expect this evolution to continue as the entire healthcare industry is reassessed in the coming months".

"The hard work and dedication of our employees to the clients we service is what makes this growth possible, and keeps our company competitive" said Commcare's Chief Pharmacy Officer, Sal Saraniti.

About Commcare Pharmacy

NS3 Health, LLC (owner and operator of Commcare Pharmacy) is a privately held specialty pharmacy with a long history of dedicated delivery of care and therapy management for chronically ill patients. Over the past decade the company has built an exceptional reputation for developing creative, patient-centric programs that deliver measurable improvements in the wellness of its patients. Commcare's 10+ years of experience in providing specialty pharmacy services to patients with HIV/AIDS has led to the creation of other disease state management programs. Today Commcare offers our HIVAssist (HIV/AIDS), HepatitisAssist (Viral Hepatitis), OncologyAssist (Oral Oncology), TransplantAssist (Organ Transplant), DialysisAssist (Kidney Dialysis Recipients), MSAssist (Multiple Sclerosis), RAAssist (Rheumatoid Arthritis), and IVAssist (Home Infusion Patients) disease state management programs to its clients.
